Full-Stack Developer | Competitive Programmer

PROJECTS

College Canteen Partner App - (HTML, CSS, JavaScript, Supabase)

- Developed a full-stack web application for college canteen management using HTML, CSS, and JavaScript, with a dark-themed UI for seamless interactivity.
- Implemented features including order management (track, confirm, mark out of stock/delivered), menu CRUD operations (create, read, update, delete), order history, search functionality, and real-time notifications.
- Integrated Supabase for backend simulation (currently using in-memory random data), achieving a performance score of 94/100 and 92/100 for SEO.

To-Do List Website - (HTML, CSS, JavaScript)

- Built a user-friendly, dark-themed to-do list application using HTML, CSS, and JavaScript for dynamic task management.
- Enabled task creation, completion, deletion, search, filtering by status (pending/completed), user preferences, and recent tasks, managed in-memory with JavaScript.
- Overcame challenges in maintaining state across page refreshes, achieving a performance score of 95/100 and 93/100 for SEO.
- Planned Local Storage integration for persistent user data to enhance functionality.

Calculator App - (HTML, CSS, JavaScript)

- Created a responsive calculator with a dark theme using HTML, CSS, and JavaScript, optimized for mobile and desktop use.
- Implemented core arithmetic operations (addition, subtraction, multiplication, division) and a clear function, achieving a performance score of 93/100 and 90 for SEO.

SKILLS

- Languages: Python, Java, JavaScript, SQL, HTML, CSS
- Tools/Platforms: GitHub, Git, Figma, VS Code, Supabase
- Core Concepts: System Design, Operating Systems, OOPs, DBMS, Data Structures and Algorithms
- Soft Skills: Problem-Solving, Team Collaboration, Time Management, Attention to Detail, Communication

EDUCATION

Master of Computer Applications (MCA)

Aditya University, Surampalem, Andhra Pradesh

August 2024 - May 2026

- SGPA: 7.85/10

Bachelor of Computer Applications (BCA)

Aditya Degree College, Bhimavaram

August 2021 – May 2024

- CGPA: 7.24/10

ACHIEVEMENTS

- Developed a fully functional college canteen app (prototype) under a week.

CERTIFICATIONS

- Oracle Academy Java Certification

LANGUAGES

- English (Fluent), Telugu (Native), Hindi (Intermediate), Japanese (Beginner)
